Qualified candidates who have a rating lower than the selected candidates are offered a reserve place, which means they have been placed on a waiting list. Reserve candidates are only offered a place if a selected candidate rejects the grant or is unable to undertake a mobility. The reserve number indicates the order in which unfilled grants will be offered. Having a reserve number 1 means you will be the first one to be offered a grant if it becomes available. Reserve candidates will then be notified by an email from A4U.
