COURSE INFORMATION

According to UAB Exchange policy, students must enrol at least the 50% of their credits at the Faculty to which they have been assigned to. The other 50% can be taken at the rest of the UAB faculties, provided the groups are still open when doing the enrolment.

Information about courses is available at the web page of each faculty: [Teaching Centres](#). Please contact the [Exchange Offices](#) for further details.

LANGUAGES OF INSTRUCTION:

Lectures at the UAB are mainly taught either in Catalan or in Spanish. The usage of either language depends only on the lecturer who gives the course. There are some lessons offered in English as well.

There are also a few degrees fully taught in English, but the courses corresponding to these degrees have limited seats for exchange students.

Obviously there are other lectures taught in English for the degrees of English Studies and Translation and Interpreting, but again these courses are preferably offered to the exchange students of these specific degrees.

LANGUAGE REQUIREMENTS:

To get access to the courses offered at the **Faculty of Economics and Business**, according to the Common European Framework of Reference for Languages (CEFR), a minimum level of **B2** will be required for the language of instruction of the chosen courses, that is, English, Spanish or Catalan. No certificate will be required for that language in which no courses have been selected. Regarding courses taught in Catalan, a Spanish certificate will also be accepted due to the similarity between both languages.

The required level can be stated by three possible ways:

1. Official Certifications (MECR B2, TOEFL IBT 87, TOEIC 1095, IELTS 5.5, TELC B2, CET-4 (China) 425, PTE General/Academic Level 3/59, Cambridge English FCE, British Council Aptis B2, Trinity College ISE II, DELE (Spanish) B2, SIELE (Spanish) B2.
2. Certification issued by the Language Services at the home university stating that the student has a minimum level of B2 or equivalent according to the mentioned official certifications.
3. Certification issued by the home university that states the student is following studies taught entirely in the corresponding language or has passed 90 credits in that language, as a minimum.

The **Faculty of Communication** requires a **B2** level of **Spanish** to be accepted as an exchange student. Students holding a Spanish language certificate issued by the Instituto Cervantes (DELE B2) will be accepted. Other certificates will be checked and evaluated on a case by case basis.

For other faculties check with the [Exchange Offices](#).
