

**ERASMUS+ INTERNATIONAL CREDIT MOBILITY PROGRAMME
EXTRAORDINARY CALL FOR APPLICATIONS FOR STAFF MOBILITY BETWEEN
A4U UNIVERSITIES AND PARTNER UNIVERSITIES IN SOUTH AFRICA
2017-2018 ACADEMIC YEAR**

1. Purpose of the call.

This call opens to award the remainder of 2016 project funds that became available due to late dropouts of the selected candidates.

Since the reserve list of 2017-2018 call has been exhausted but there are candidates on the reserve list of 2018-2019 call, **this call is open only to the reserve candidates of the 2018-2019 call for staff for mobility with South Africa.**

Mobilities awarded under this call should end before 31 July 2018. This means that interested reserve candidates should make sure they can re-schedule their mobilities (if necessary) and carry them out before 31 July 2018.

All other conditions of the grants (grant amounts, length of mobility, participating institutions etc.) are the same as in the KA107 2017 Call Guidelines for PhD students and staff (available on <http://alliance4universities.eu/wp-content/uploads/2017/11/KA107-2017-Call-Guidelines-for-PhD-students-and-staff.pdf>).

All reserve candidates are invited to apply, but priority will be given to reserve candidates OUT, (that is, to mobility of staff from Spain to South Africa), and the order in the reserve list will be preserved.

2. Timeline and application process.

The call will open upon its publication on A4U website <http://alliance4universities.eu/en/mobility-scholarships/>.

To apply, candidates must complete an online application form, indicating firm mobility dates (that is, mobility dates that have already been agreed with the host institution) and therefore committing to carrying out the mobility if awarded the grant.

It is not necessary to provide any documentation since the CV and mobility proposal submitted under the previous call will be used.

Deadline for submission of applications	31 May
Publication of selection results	4 June
