

GENERAL INFORMATION SHEET (2018-2019)

University Name	JAWAHARLAL NEHRU UNIVERSITY, NEW DELHI, INDIA
About the University	<p>Jawaharlal Nehru University is the foremost university in India, and a world-renowned centre for teaching and research. The National Assessment and Accreditation Council (NAAC) accredited JNU A++ Grade (highest grade by NAAC) in 2018. JNU also received the Best University Award from the President of India in 2017.</p> <p>came into existence in 1969 the approach of the University has been to evolve policies and programmes which will make Jawaharlal Nehru University a distinct addition to the national resources in higher education rather than a mere quantitative expansion of facilities which already exist. The University has identified and is concentrating upon some major academic programmes, which are of relevance to national progress and development.</p> <p>The basic academic units of the University are not single discipline departments but multi-disciplinary Schools of Studies. Some Schools are made up of a number of Centres which constitute the units operating within the broad framework of a School. A Centre has been defined as a community of scholars irrespective of their disciplines engaged in clearly identified inter-disciplinary programmes of research and teaching. The Medium of Instruction for all programmes of study (barring Languages) is English.</p> <p>The University includes the following Schools of inter-disciplinary research and teaching besides some Special Centres of Study:</p> <ul style="list-style-type: none">• School of Arts & Aesthetics• School of Biotechnology• School of Computational and Integrative Sciences• School of Computer and Systems Sciences• School of Engineering• School of Environmental Sciences• School of International Studies• School of Language Literature and Culture Studies• School of Life Sciences• School of Management and Entrepreneurship• School of Physical Sciences• School of Sanskrit and Indic Studies• School of Social Sciences• Centre for the Study of Law and Governance• Special Centre for Disaster Research
