

## RESOLUTION

### **Award of Erasmus+ grants (project 2018) to reserve candidates**

Considering that

- after the initial award of grants some selected participants rejected their grants (Valentyn Sichkar PHD IN from Russia, Ahmed Ghassan Tawfiq AbuRa'ed PhD OUT to Russia, Miguel Fernández Andujar PhD OUT to Russia), and that
- there were remaining funds because a number of students' mobilities are shorter than 5 months,

I, the Vice-Rector for International Relations of Universitat Autònoma de Barcelona, on behalf of Alianza 4 Universidades Selection Committee, resolve as follows:

To use remaining funds in the budget for Russia to award mobility grants to:

- Reserve candidate 1 BACHELOR IN Alena Vlasova (Higher School of Economics - Universidad Carlos III de Madrid).
- Reserve candidate 1 BACHELOR OUT Isabel Alonso Vergés (Universitat Pompeu Fabra - Higher School of Economics).
- Reserve candidates PhD IN Maksim Salimov (Moscow Power Engineering Institute - Universidad Carlos III de Madrid), Iuliia Marishkina (Moscow Power Engineering Institute – Universitat Autònoma de Barcelona), and Arsenii Tretiakov (ITMO - Universidad Carlos III de Madrid).

In addition, considering that José Luis Blesa Cuenca, selected for staff mobility to Iran, has no longer a working contract with Universidad Autónoma de Madrid and therefore cannot use the awarded grant, I resolve that it is awarded it to reserve candidate 1 Ricard Zapata-Barrero (Universitat Pompeu Fabra – Allameh Tabatabai' University).
