

SELECTION RESULTS FOR “Erasmus+ international credit mobility programme. Call for applications for PhD students and staff mobility between A4U universities and non-European partner universities during 2020-2021, 2021-2022 and 2022-2023 academic years”. Project 2020

1. International mobility is subject to COVID-19-related regulations and restrictions by the authorities of the sending and the receiving countries, the sending and receiving institutions, as well as the conditions set by the Erasmus programme.

2. Selected candidates will be contacted by email, starting by those whose mobility starts the soonest. If a selected candidate declines the grant for whatever reason, candidates on the reserve list will be contacted, also by email, and offered a place. The reserve number indicates the order in which available grants will be offered.

3. A number of mobilities have been reserved for staff selected under 2018 project who were unable to carry out the mobility due to COVID-19 pandemic.
