

**SELECTION RESULTS FOR THE CALL FOR OF APPLICATIONS FOR STAFF MOBILITY BETWEEN A4U
AND NON-EUROPEAN PARTNER UNIVERSITIES. Project 2023**

1. Mobility is conditional on the signature of Erasmus inter-institutional agreements between the sending and the receiving university.

2. In order to spread mobility opportunities among more participants, one grant is awarded per individual.

3. Given lack of applications in some categories and over demand in others, funds were re-distributed
- across STUDENT and STAFF categories and IN and OUT flows within the same country,
- across different countries within the same region.

4. More grants were awarded due to funds availability and based on quality of applications.
